

Welcome to The Weston Centre (Clinic 31)

The Weston Centre (Clinic 31) looks after children from 0-18 years of age.

The children coming to the clinic have Diabetes or Endocrine problems and the doctors and nurses will be checking to see if the medicines they are taking are working and to see if the person is growing well.

How do I get to The Weston Centre (Clinic 31)?

Car park two is closest to the clinic. Follow directions to the 'ATC'. Once in the ATC, the clinic entrance is through the doors to the right of the lifts.

When you get in to the clinic, let the receptionist know that you have arrived.

When is the clinic open?

The clinic is open from 09:00 until 17:00.

Who will I be seeing?

You may be seeing a doctor and a nurse or just a nurse whilst you are in clinic. They will be able to tell you what is happening and when you may need to come back to the hospital for future appointments.

What can I do if I am hungry?

There is a coffee shop just outside the clinic for you to get some food after your appointment if you want to. There are some chairs and tables outside the clinic that you can sit on to eat and drink. Please do not take hot drinks into the clinic area.

6-10 year-olds Hospital guide.

What can I do whilst I am waiting?

There is a play room in the clinic for you to spend some time in while you are waiting. There is normally some colouring that you can do and there is a games console for you to play on. You can bring your favourite book with you if you want to or you can bring a hand held computer game with you but you have to look after it yourself.

What can I do whilst I am waiting?

There is a play room in the clinic for you to spend some time in while you are waiting.

Can I use my mobile phone?

You are able to use a mobile telephone for calls.

How can I get in touch with the clinic?

The telephone number for the clinic is 01223 348576. Please use this number for appointment queries.

To speak to the Paediatric Endocrine Nurses please call 01223 217496.

To speak to the Diabetes Educator Team please call 01223 274638.

The address is:

The Weston Centre (Clinic 31)
Addenbrooke's Hospital
Hills Road
Cambridge
CB2 0QQ

Where can I get more information from?

You can ask for a parent information leaflet on outpatient clinic visits which will have more details about the visit and the type of tests that may be done.

6-10 year-olds Hospital guide.
