Part 6 - Counting the votes

38. Arrangements for counting of the votes – The returning officer is to make arrangements for counting the votes as soon as is practicable after the close of the poll.

39. The count – (1) The returning officer is to –

- (a) count and record the number of ballot papers that have been returned, and
- (b) count the votes according to the provisions in this Part of the rules.

(2) The returning officer, while counting and recording the number of ballot papers and counting the votes, must make arrangements to ensure that no person obtains or communicates information as to the unique identifier on a ballot paper.

(3) The returning officer is to proceed continuously with counting the votes as far as is practicable.

40. Rejected ballot papers – (1) Any ballot paper –

- (a) which does not bear the features that have been incorporated into the other ballot papers to prevent them from being reproduced,
- (b) on which votes are given for more candidates than the voter is entitled to vote,
- (c) on which anything is written or marked by which the voter can be identified except the unique identifier, or
- (d) which is unmarked or rejected because of uncertainty,

shall, subject to paragraphs (2) and (3) below, be rejected and not counted.

(2) Where the voter is entitled to vote for more than one candidate, a ballot paper is not to be rejected because of uncertainty in respect of any vote where no uncertainty arises, and that vote is to be counted.

(3) A ballot paper on which a vote is marked –

- (a) elsewhere than in the proper place,
- (b) otherwise than by means of a clear mark,
- (c) by more than one mark,

is not to be rejected for such reason (either wholly or in respect of that vote) if an intention that the vote shall be for one or other of the candidates clearly appears, and the way the paper is marked does not itself identify the voter and it is not shown that he or she can be identified by it.

(4) The returning officer is to –

- (a) endorse the word "rejected" on any ballot paper which under this rule is not to be counted, and
- (b) in the case of a ballot paper on which any vote is counted under paragraph (2) or (3) above, endorse the words "rejected in part" on the ballot paper and indicate which vote or votes have been counted.

- (c) writing or mark by which voter could be identified, and
- (d) unmarked or rejected because of uncertainty,

and, where applicable, each heading must record the number of ballot papers rejected in part.

41. Equality of votes – Where, after the counting of votes is completed, an equality of votes is found to exist between any candidates and the addition of a vote would entitle any of those

candidates to be declared elected, the returning officer is to decide between those candidates by a lot, and proceed as if the candidate on whom the lot falls had received an additional vote.

Part 7 – Final proceedings in contested and uncontested elections

42. Declaration of result for contested elections – (1) In a contested election, when the result of the poll has been ascertained, the returning officer is to –

- (b) give notice of the name of each candidate who he or she has declared elected–
 - (i) where the election is held under a proposed constitution pursuant to powers conferred on the Addenbrooke's NHS Trust by section 4(4) of the 2003 Act, to the chairman of the applicant NHS trust, or
 - (ii) in any other case, to the chairman of the corporation; and
- (c) give public notice of the name of each candidate whom he or she has declared elected.

(2) The returning officer is to make –

- (a) the total number of votes given for each candidate (whether elected or not), and

the returning officer is to put them in a separate packet, seal it up, and endorse and forward it to the chairman of the corporation.

47. Retention and public inspection of documents – (1) The corporation is to retain the documents relating to an election that are forwarded to the chair by the returning officer under these rules for one year, and then, unless otherwise directed by the regulator, cause them to be destroyed.

(2) With the exception of the documents listed in rule 48(1), the documents relating to an election that are held by the corporation shall be available for inspection by members of the public at all reasonable times.

(3) A person may request a copy or extract from the documents relating to an election that are held by the corporation, and the corporation is to provide it, and may impose a reasonable charge for doing so.

48. Application for inspection of certain documents relating to an election – (1) The corporation may not allow the inspection of, or the opening of any sealed packet containing –

Part 9 – Death of a candidate during a contested election

49. Countermand or abandonment of poll on death of candidate – (1) If, at a contested election, proof is given to the returning officer's satisfaction before the result of the election is declared that one of the persons named or to be named as a candidate has died, then the returning officer is to
