

The Rosie Extension

Project Newsletter - July 2011

Congratulations to Three Peaks Team!

Well done to the Rosie team (pictured below left) that completed the infamous Three Peaks Challenge by climbing Ben Nevis, Scafell Pike and Snowdon all in a row within 24 hours!

Congratulations also to the 'Snowdon Strollers' (pictured below right) led by the Premrose Parent Support group who hit the heights of Snowdon on Saturday 9th July.

These teams have raised an incredible £16k for the Rosie Hospital Campaign. Well done!

Please Support Chariots of Fire 2011

The Chariots of Fire event this year is being held exclusively in aid of the Rosie Hospital Campaign, with an aim to raise £75,000.

The relay event is taking place on 18 September at Queens Green in Cambridge, with teams of six running a 1.7 mile course. Several Rosie teams are taking part in the event and many Rosie staff will be volunteering on the day. Team registrations can be made online: <http://www.chariots-of-fire.co.uk>

If you would like to help out on the day please contact ACT on act@addenbrookes.nhs.uk

Artist Appointed

Claudia Phipps has been commissioned to develop an art installation for the pavilion area in the Rosie Extension. A consultation event was held on the 28th July to enable staff and patients to meet Claudia and feed back any thoughts and ideas regarding the future artwork.

For information and/or to give further comments visit <http://artfortherosie.drupalgardens.com> or please contact Damian Hebron on ext. 6734.
